2016 Wildcrafted Herb Prices

To order by phone call (541) 846-7995
 Business hours are Monday through Friday
 8:00 am to 5:00 pm Pacific Time

We have been harvesting medicinal wild plants, seaweeds and fungi for 30+ years. We understand the plants we work with. We harvest them at their optimal stage of development, in a way that causes minimal impact on future plant populations. We prefer to charge a higher price for our herbs and take the time to do the job right.

Herbs are only available in season, so order before the season starts. We do not usually keep herbs in stock; we harvest them for people that order them. That way you always get fresh herbs, and valuable herbs never end up getting old in storage and going to waste. We ship by USPS, UPS or FedEx. You pay actual shipping cost, with an \$8.00 minimum.

We accept payment by check, credit card, money order, PayPal or bank wire. All orders must be prepaid unless other arrangements have been made. There is a 2% monthly late charge on overdue accounts and a \$25.00 fee for bounced checks. Prices and availability are subject to change without notice. We do not accept returns of wildcrafted herbs unless we have made a mistake.

Our Seaweed/Herbal Extracts Catalog is available at our website (or ask us to mail you a copy).
